This is a decision on the renewed petition filed June 30, 2006, under 37 C.F.R. §1.137(a)<sup>1</sup>, to revive the above-identified application.

The above-identified application became abandoned for failure to submit the issue fee and drawings in a timely manner in reply to the Notice of Allowance and Issue Fee Due, mailed July 12, 2005, which set a shortened statutory period for reply of three months. No extensions of time are permitted for transmitting formal

- 1 A grantable petition pursuant to 37 C.F.R. §1.137(a) must be accompanied by:
- (1) The reply required to the outstanding Office action or notice, unless previously filed;
  - (2) The petition fee as set forth in 37 C.F.R. §1.17(1);
  - (3) A showing to the Commissioner that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition was unavoidable;
  - (4) Any terminal disclaimer (and fee as set forth in 37 C.F.R. §1.20(d)) required pursuant to paragraph (d) of this section.

drawings or issue fees<sup>2</sup>. Accordingly, the above-identified application became abandoned on October 13, 2005. A Notice of Abandonment was mailed on February 27, 2006.

In the original petition, it was asserted that the notice was not received. The original petition was received on April 13, 2006, and was dismissed via the mailing of a decision on May 24, 2006 for failure to submit acceptable drawings, for failure to attest to the fact that a search of the file jacket and docket records indicates that the Office communication was not received, and for failure to provide a copy of the docket record where the non-received Office communication would have been entered had it been received and docketed.

With this renewed petition, each of these deficiencies has been rectified. Consequently, the renewed petition is GRANTED.

The Technology Center will be notified of this decision. The Technology Center's support staff will re-mail the Notice of Allowance and Issue Fee Due of July 12, 2005, and will set a new period for response.

Telephone inquiries regarding *this decision* should be directed to the undersigned at (571) 272-3225. All other inquiries concerning examination procedures or status of the application should be directed to the Technology Center.
